## HOLD JOHN CEPHES FOR BURGLAR JOBS

Mystery of Jewel Robberies  
May Now Be Cleared Up.  
Escapes and Flees to Mishawaka.

ELKHART, Sept. 2.—With the capture and subsequent arrest at Mishawaka Monday morning of James Cephes, a local character, the police believe that they have solved the mystery surrounding the robbery of a number of Elkhart residences in the last few days.

The latest theft reported was at the home of Mrs. E. Z. Carpenter, No. 510 S. Second st., where silverware and jewelry valued at nearly \$1,000 was taken Sunday night during Mrs. Carpenter's absence. Part of the loot was found on Cephes.

Cephes and a companion, John Burley, who is also in jail, are believed to be responsible for the Elkhart Loan Co. job last Friday morning in which the display window was broken with a rock and \$150 worth of jewelry taken.

Shortly after the Carpenter robbery had been reported Sunday night, Chief Northrup learned that Cephes had been seen loitering about the neighborhood. He immediately issued general instructions that Cephes be arrested on sight. Officer Hummel placed him under arrest near the corner of Tyler av. and Main st. As they reached the alley between Marion and Franklin sts. enroute to the jail, Cephes wrenched himself loose from the officers' grasp and temporarily made good his escape.

Sheriff E. Frank Leachman, Officers Hummel and Gardner started west in the sheriff's automobile. At Osceola they learned that a man answering Cephes' description had boarded a west-bound interurban car. The officers continued to Mishawaka where Cephes was found mingling with employees of the carnival shows exhibiting in that city.

### KILLS DOCTOR IN REVENGE

CAIRO, Ill., Sept. 2.—Dr. E. E. Gordon, a prominent physician of this city, was shot and killed Monday night by Harvey R. Fields, an insurance solicitor. About ten days ago Gordon operated on Fields' mother. Her subsequent death, the insurance man declared, was caused by the physician's carelessness. It was in return for her life that he took that of the doctor, he said.

Fields surrendered himself to the police.

### REUNION HELD.

The twelfth annual reunion of the Chamberlain, Johnson and Fisher families was held at Leeper park. A big dinner followed by election of officers for next year and other business took up the day. Frank Yoder was elected president and the other officers were elected as follows: Vice president, Henry Fisher; secretary, John F. Renne; treasurer, Mrs. Mary Collins. The next reunion will be held at the same place on Labor day of 1914.

ATLANTIC CITY, N. J., Sept. 2.—Last year's wage scale will be continued for another 12 months in the glass bottle blowing trade and the fires will start Tuesday, according to announcement made by Dennis A. Hayes, president of the Bottle Blowers' union. Committees representing manufacturers and men have been in session here for two weeks discussing trade affairs. The manufacturers also agreed to permit an increased number of apprentices to enter the factories.

## ERGOTTI AND LILLIPUTIANS AT THE ORPHEUM

One of the hits of the current bill at the Orpheum is Ergotti and his two Lilliputian acrobats. This act comes direct from Berlin, Germany, to South Bend and while it has been seen here before the pleasing personality of the little fellows and the skillful performance they present makes it doubly interesting. To judge from their size one might think them six-year-old school boys but a few moments conversation with either will convince one of the error. Herman Scheibe, the heavier of the two, is 25 years old and while he has never married admits a sweet heart in Germany of whom he is very fond. Herman Kalversberg, the smaller one, is 22 years old and converses like the globe-trotter he is.

### DARING FRENCH AVIATOR FLIES UPSIDE DOWN

Pegoud Makes Crowd Gasp as he Describes Gigantic Letter "S" in Flying.

JUVISY, France, Sept. 2.—The daring French aviator, Pegoud, who on Aug. 20 made a parachute drop from an aeroplane from a height of 900 feet, accomplished a much more remarkable feat Monday. Briefly, Pegoud caused his monoplane to describe a gigantic letter S in the sky, during which he was flying upside down for about a quarter of a mile.

He mounted rapidly to a height of more than 3,000 feet, describing a curve; then the forward part of the machine was observed to incline toward the earth. Through glasses the spectators saw the propeller slacken and the monoplane further incline until it was perpendicular with the earth.

As the machine dropped swiftly, the tail dipped again toward the earth and the pilot appeared head downward.

With an almost imperceptible curve the machine shifted its course to a straight line, the pilot in the same position.

Presently the monoplane dipped again and with a graceful curve assumed an erect position, and descended by a series of beautiful spirals.

"THE STRANGER."

Two part offering, with King Baggot in the leading role. It tells a Kentucky mountain story with suggestions of "The Trail of the Lonesome Pine," but with a different development. There is a clearly worked out plot and it holds well, especially in the more romantic second part after King Baggot, the disappointed millionaire, meets June (Violet Mercereau), the climactic scene.

Miss Tanguay will have a grand opera orchestra to illustrate her "Salome" production. Besides Miss Tanguay's part of the program an excellent vaudeville performance has been provided.

Many will remember when Bronson Howard's great war drama, "Shenandoah" was first seen in South Bend at the Oliver opera house in the early nineties. The theatre, then under the management of F. C. Nippold, was taxed to capacity and it was one of the big hits of the season. During the World's fair at Chicago it was all summer at McVicker's theatre, with Orla Sikander and Mary Hampton in the leading parts. The picture production will be seen at the Royal theater in three reels today and tomorrow, and it is one of really great films of the year. The scenes are taken in authentic locations in Winchester and Charleston, S. C.

AT THE MAJESTIC.

The Majestic has for its headline feature Franks and Fox, two bright young fellows who know how to sing entertainingly and amuse in an original way. Little Babe Wilson furnishes her big share of the amusement for she is a decidedly clever youngster and has taken her success with becoming modesty. Rose Beckerich has new songs and three photoplay stories are shown.

TO HEAD R. R. MEN.

GREENCASTLE, Ind., Sept. 2.—J. R. Babcock, Wagner, Ind., was elected president, and Lafayette chosen as the next meeting place of the closing session at the annual session of the Rural Carriers' association here Monday.

Mr. Babcock also was named delegate at large to the national convention to be held at Evansville next week.

PLACED ON TRIAL FOR FLEEING INDIANA MAN

MOUNT, Ida., Ark., Sept. 2.—Ed. Spears was placed on trial here Monday charged with engineering a desertion by Frank P. Fox, a reputed millionaire of Terre Haute, Ind., was fleeced out of \$20,000 through an alleged crooked roulette game in Hot Springs, Ark., last January.

With more than 200 witnesses to be examined, many living out of the state, it is expected that the case will occupy more than two weeks. At Spears' first trial in Hot Springs the jury disagreed and immediately thereafter the defendant took a change of venue.

TO CLOSE PARKS.

LAPORTE, Sept. 2.—The two parks along the line of the Northern Indiana Interurban Co. from South Bend and Michigan City will close after next week and the extra car service that has been maintained to the two parks will be discontinued. The parks are located at Pine and Hudson lakes.
